

PATTERSON TOWN HALL
P.O. BOX 470, PATTERSON, NY 12563

OFFICE OF M. GRIFFIN • TOWN SUPERVISOR

We need your help:

The Town's new Co-mingle Recycling Law continues to gain momentum. We have significantly increased the amount of items we recycle and reduced the amount of garbage going to the landfills. But, to achieve our goals we need **ALL** the residents of Patterson to participate.

One container, all your recyclables!

- Cardboard
- Newspaper
- Magazines
- Cans
- Plastic (1 through 9)
- Paper
- Junk Mail

No plastic bags / no styrofoam

We ask every resident to do their part to reduce costs and help improve the environment. To avoid possible penalties, **please** DO NOT put recyclables in with your regular trash. Make sure you mark your container with "R".

RECYCLE, RECYCLE, RECYCLE - IT'S GOOD FOR EVERYONE
