The sponsoring organization is responsible for maintaining the condition of buildings and grounds used for their event or activity including set-up and take-down. The sponsoring organization is also responsible for parking and traffic control unless arranged in advance with The Patterson Recreation Center. Cars must be kept off lawns and parked so as not to block roadways, driveways, exits, or fire lanes.

The sponsoring organization is responsible for abiding by public safety regulations. The Patterson Recreation Center will provide assistance in this if requested and may check seating arrangements, building occupancy limits, access to fire exits, suitability of decorations, and any other factors affecting safety. The sponsoring organization is obligated to follow any safety instructions given by the Patterson Recreation Center.

The Patterson Recreation Center may require that a Recreation Center employee be present during an event. In that case, the sponsoring organization will be required to pay a fee set by the Recreation Center.

A Certificate of Insurance will be required for at least two million dollars of general liability coverage naming the Patterson Recreation Center as additional insured for the period of use of the Recreation Center’s facilities.

Access to buildings must be arranged in advance. Preparation of facilities by the Town Staff will be done during regular work hours at the discretion of the Recreation Center.

The use of tobacco, alcoholic beverages and illicit drugs is prohibited anywhere in/on Recreation Center property as they contribute to fire hazards and bodily injury.

Use will be confined to the spaces or rooms reserved and further use of other spaces and rooms is prohibited.

The Town will not be held liable for any damages, direct or consequential, if for any reason, the facilities agreed upon are not made available.

Children must be properly supervised and no group will be admitted which does not have at least one adult present for each given number of children, depending on the activity. Children in very large groups or engaged in very active pursuits must have adequate supervision.

Previous use of recreation facilities does not guarantee the same time and place for future requests. A Use of Facilities Request Form must be received at the Patterson Recreation Center before space can be approved.

Use of recreation facilities will not be approved if the individual or group has an outstanding balance due from previous use.

Please be advised that your set-up should start at the time that you have requested to start. Also, your clean up should begin fifteen minutes before the time you are scheduled to end. Your organization should be ready to leave at the time stated on the request form. In order for scheduling to run smoothly, we need each organization to abide by these terms.
